Annotations

Every mark below is an annotation of the page, drawn from its own entry.

Link to a web address	click here
Link to page 2	click here
Link to a named place	click here

Highlight: marked text in a line

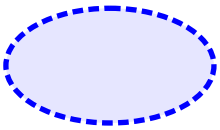
Underline: marked text in a line

Strike-out: marked text in a line

Squiggly: marked text in a line

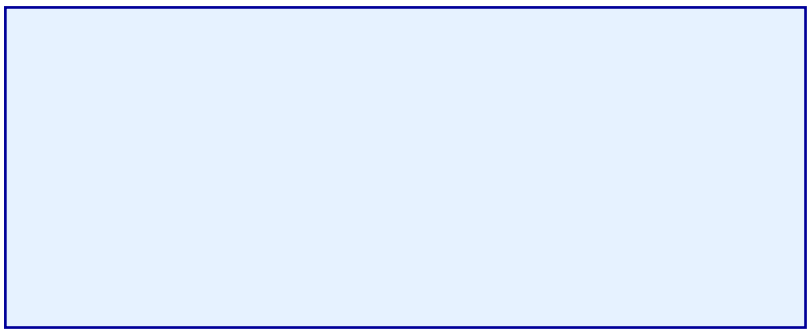
Text note (sticky note), free text, shapes:

Free text in a box



The page also holds a link under a rotated line of text, below.

A rotated line with a link over it

Page 2: the target


The named destination "target" points here, and so does the second line of the outline.
