Harbour office, East quay

Report of the harbour master
for the month of March

Berths let this month: 41 of 60.
Visitors: 63 boats, of which 18 stayed more than two nights.

The breakwater light was out for three nights; it is repaired.
The pontoon at berth 24 needs a new chain; quote attached.

Weather: four days of gale from the south-west, no damage.

STAMP

Tide notes

High water at the quay was at 06:12 and 18:34 on the first. The spring tides of the 14th and 15th reached 7.4 metres. Boats drawing more than 1.8 metres should wait for the top of the tide before they come in.

The fairway buoy has been moved 50 metres to the east.
